GR1

WHO CAN ENROLL IN THIS CLASS?  
Seats are restricted to first-year students (and transfer students in their first year at UNC who completed <24 hours of post-high school college coursework at another institution before their first semester at UNC). If you are a transfer student, refer to the UNC Catalog (<https://catalog.unc.edu/undergraduate/ideas-in-action/#transferstudentstext>) for additional information. Honors first-year students may not enroll in this class; they should only enroll in an Honors First-Year Seminar or Honors First-Year Launch.

ENROLLMENT PROCEDURES  
Students may only enroll in one (1) First-Year Seminar OR (1) First-Year Launch during their time at UNC. Most seats in this section are reserved for incoming first-year students. The remaining seats are made available during Waves 1 and 2 and new first-year student registration sessions beginning in July.

TITLE: Afro-Latinxs in the U.S.

IDEAS IN ACTION GEN EDS: FY-SEMINAR; FC-GLOBAL or FC-POWER

COURSE DESCRIPTION

What does it mean to be both racially Black and ethnically Latino in the U.S.? This discussion-based course will look at the history, culture, experiences, political struggles, and social dilemmas of ¿Afro-Latina/o/xs¿: African-descended peoples from Latin America and the Spanish-speaking Caribbean who reside in the U.S. The erasure of these communities, along with their struggles for well-being, prosperity, belonging, and visibility, will be explored. The class provides an opportunity for a deeper understanding of the legacies of the transatlantic slave trade, ethno-nationalism, and U.S. foreign-policy, and their connection to contemporary issues of migration, sexism, inequality, and anti-blackness. In-depth conversations about the politics of ¿race¿ and ¿ethnicity¿

TITLE: Women of the Black Atlantic

IDEAS IN ACTION GEN EDS: FY-SEMINAR; TBD

COURSE DESCRIPTION

This course examines constructions of gender and individual and collective responses to developing systems of inequality in the Atlantic world shaped by sex, race, and class. Students analyze and compare how African, European, and American societies constructed the category of ¿woman¿ and the constraints and liberties these constructions imposed.

Course participants document and examine how concepts of race and processes of racialization impacted experience for African and African descent women
